

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF MASSACHUSETTS

Plaintiff ,

**JOHN CHAMBERS, PATRICIA)

AND CARL WIESE)**

Defendants ,

CIVIL ACTION

CASE NO. 04-CV-10468-GAO

TO THE HONORABLE COURT

Plaintiff respectfully would like to inform this honorable court that Defendants and especially **Chairman Patricia Russo of Lucent Technologies** is running an organize crime company and she believes that she is "above" the LAW. **Chairman Patricia Russo** believes that because of her connection with the BUSH Family that she is protected, immune from any indictment or any violation of law (as with Lucent Chinese Executives found taking Lucent Share holders ' money) and this include her default in this litigation. Plaintiff is very much aware that she was once before in Florida connected with the Governor Bush with some other high level officials in the sun shine state called Florida and Atlanta Georgia.

Therefore plaintiff is introducing Exhibits **attached** that back up his claim and show Defendant Patricia Russo is connected with the President of The United States George W. Bush, this include his brother the governor of Florida. Additionally there is a law suit in the United State District of New York **(Manhattan) case No. 03-CV-6001**, where Lucent Technologies executives including Defendant Patricia Russo **violated** the **Foreign Corrupt Act**, and was filed on

August 8, 2003, the law suit alleges that **Lucent Technologies and Swiss firm ACEC** disbursed over \$15 million in **bribes** between **1995** and **2003** to the former **Saudi Minister** of Post Telephone and Telegraph, the payments supposedly paid for medical expenses, private jet trips and luxury hotel stays in the United States. It is obvious and without a doubt that Patricia Russo has paid official in Florida to win her case against Plaintiff Anthony Bayad. Moreover she did not stop here, and she believed that in Massachusetts and at Cisco Systems with help of her friends (Anthony Savastano, Carl Wiese, and John Chambers) has abused Mr. Bayad once before at Lucent technologies, second time at International Network, and now and present time at Cisco Systems in Lexington Massachusetts, her criminal act to conspire, to torture, to violate and to interfere with Mr. Bayad 's civil act and his right to exist, will not go unnoticed, and Justice must and will prevail, and this horrible chapter of his life must come to an end for Plaintiff can find a peace and live as a human and American citizen and the state law and right of due process.

PLEASE SEE EXHIBIT ATTACHED.

CONCLUSION

We pray to this Court that Plaintiff ' relief of damages sought in his complaint should be granted or as deemed and appropriate by this Court as prescribed of Justice and the law; And **declare defendants in violation of his rights.**
